

2017 MAINTENANCE APPRECIATION AWARDS

CALL FOR ENTRIES

Submission Deadline - March 31, 2017

*Celebrate the hard work and
dedication shown by the maintenance
professionals in multifamily!*

For the third year, IAA is introducing five maintenance focused award categories which will be presented during the Maintenance Appreciation/Maintenance Mania Day awards program on April 19, 2017 at the Indiana State Fairgrounds.

The Maintenance Day Awards were created to recognize excellence and leadership in the maintenance sector of the multifamily industry. These awards celebrate the hard work these individuals do on a daily basis. **Award nominations are open to any maintenance staff even if they are not participating in the maintenance mania games.**

Categories Include:

- Best Maintenance Related Innovation Award
 - The recipient of this award will have created a new method, idea or product which has benefited the property, residents and staff.
- Best Green Initiative Award
 - The recipient of this award has initiated a green movement within the community which has resulted in benefits to the environment, community and is cost effective.
- Maintenance Above & Beyond Award
 - The recipient of this award has spent time volunteering within the community helping with activities or completing tasks for residents/staff outside of the job description.
- Outstanding Achievement Award
 - The recipient of this award will be an individual who has shown outstanding performance throughout the past year. The winner will have assumed a high level of responsibility in work tasks, made significant contributions to the accomplishment of work goals and objectives, etc.
- Best Maintenance Team Award
 - The recipient of this award will be a maintenance team on a particular property that has high team morale, unique team building, or have achieved maintenance excellence through an innovative new work style or product.
