“Rebuilding Lives” was founded in 2009, after a year of severe weather throughout Indiana brought devastation to our management companies, our apartment communities and our residents. The Indiana Apartment Association decided to focus a part of its philanthropic efforts on raising funds to assist our industry in times of need. Our mission statement is as follows:

“Rebuilding Lives” supports members of the Indiana Apartment Association throughout the state of Indiana by providing assistance to residents who have been affected by natural disasters.

For the fifth year we are taking “Rebuilding Lives” a step further. We plan to donate a portion of our proceeds from the bowling event to the Ronald McDonald House to help those families who are rebuilding their lives as they battle a childhood illness.

Mark your calendar now for the Ninth Annual IAA “Bowling for Rebuilding,” with net proceeds benefiting the “Rebuilding Lives” disaster relief campaign and the Ronald McDonald House!
